

Strategies to Achieve SOC Bonus

- Average a minimum of 2 SOC's per weekday
- Be sure to submit and synch completed documentation within 24 hours
- Pass routine visits to LPNs/PTAs/COTAs to free up capacity
- Do not over order visits – make sure frequencies match functional score of assessment
- Cross Cover branches that need staffing support
- Admit on weekends if/when possible
- Accept same day SOC's when possible
- Avoid NTUCs
- Start patients timely to prevent rehospitalization
- Increase efficiency
 1. Complete high percentage of documentation in the home
 2. Map out routes between patients more efficiently
 3. Verify your schedules by calling patients the day before visits
